

PEPCO Credit Union has teamed up with MedicareCU to provide free education and services regarding Medicare to our members.

## Who They Are

MedicareCU is an independent insurance agency working to provide education, Medicare products, and services to credit union members throughout the country.

## What They Do

MedicareCU is here to guide you down the path of Medicare. As a member of PEPCO Credit Union, you have access to a no-cost, no-obligation consultation with a licensed insurance agent that works with Medicare plans. They want to make sure that you know your Medicare options and how to maximize them. Here are some of the things you'll go over when you meet with a Medicare insurance agent:

- Are your medications covered?
- Can you continue to see your current physicians?
- What are your monthly premiums?
- What is your cost share for healthcare services?
- What is a Medicare Advantage and how do they work?
- What is a Medicare Supplement and how do they work?
