

Dear Members,

We are excited to announce the eCustomer Service (eCS) site, where you can view your credit card transactions, make payments, and obtain statements, is now available.

To access the site, log in to your online (home banking) account via our website. On the Account Summary page, under the Loans section, you will see your credit card number. Next to the number is a small credit card icon, click on the icon, and the eCS site will open in a separate window (FYI: You may need to disable the pop-up blocker for this site).

Please contact the credit union at 202-949-4712 or 202-388-2447, for assistance.

Thank you,  
Pepco FCU
